

Matrox公司  
图像处理产品一览表

| 产品名   | 型号   | 板卡  |        |        |          |          |          |                 | Base/MHz  | DDR SDRAM                                |
|---|--|---|--------|--------|----------|----------|----------|-----------------|---|--|
|   |  | PCI   | PCI-x* | PC-104 | PCIe* x1 | PCIe* x4 | PCIe* x8 | PCI/104-Express |   |  |
| Matrox Solios   | SOL 6M 4A*   |   | ○      |        |          |          |          |                 |   | 64MB, cable adaptor board(LVDS aux. 1/0) |
|   | SOL 6M 4A E*   |   |        |        |          | ○        |          |                 |   | 64MB, cable adaptor board(LVDS aux. 1/0) |
|   | SOL 6M CLB*  |   | ○      |        |          |          |          |                 | Single-Base, up to 85MHz  | 64MB                                     |
|   | SOL 6M CLB E*  |   |        |        | ○        |          |          |                 | Single-Base, up to 85MHz  | 64MB                                     |
|   | SOL 6M CL*   |   | ○      |        |          |          |          |                 | Dual-Base or single-Medium, up to   |  |
|   | SOL 6M FC*   |   | ○      |        |          |          |          |                 | Dual-Base or single-Medium, up to   |  |
|   | SOL 2M EM CLB*<br>最少订购=5张  |   |        |        |          |          |          | ○               | Single Medium/Dual-Base, up to 85 MHz   |  |
|   | SOL 2M EM CLF*<br>最少订购=5张  |   |        |        |          |          |          | ○               | Single Medium/Full, up to 10-taps   |  |
|   | SOL 2M EV CLB*   |   |        |        |          | ○        |          |                 | Single Medium/Dual-Base, up to 85   |  |
|   | SOL 2M EV CLF*   |   |        |        |          | ○        |          |                 | Single Medium/Full, up to 10-taps   |  |
|   | SOL 1M 4G E*<br>(库存少)  |   |        |        |          |          |          |                 | Quad GbE PCIe NIC for GigE Vision®  |  |
| 附属品   | SOLCLBACC01PAK*  |   |        |        |          |          |          |                 | 支持产品: SOL 6M CLB*, SOL 6M CLB E* 附件: DB-9底座的触发模块*1, 1/2高的配电板*1 (在无触发模块的情况下使用) |  |
|   | SOLEVAACC01PAK*  |   |        |        |          |          |          |                 | 支持产品: SOL 2M EVCLB*, SOL 2M EVCLF*附件: DB-9底座的触发线配电板*1, 全尺寸配电板*1.              |  |
| FPGA 选项产品 (追加价格)  |  |   |        |        |          |          |          |                 |   |  |
|   | SOL xx xx x<br>30546*<br>库存少<br>关于SOL<br>6MCL*, SOL<br>6M CL E*, SOL | EP1S30--C5 FPGA with 4MB QDR SRAM and 64MB DDR SDRAM. |        |        |          |          |          |                 |   |  |
| 模拟 (DVI端子)  |  |   |        |        |          |          |          |                 |   |  |
| DVI-TO-8BNC/O 8' or 2.4 m 线, DVI to 8 BNCs, 端子未加工 (需要加工). |  |   |        |        |          |          |          |                 |   |  |
